

NAWAKWA NATIVE AMERICAN INDIAN DANCE TEAM

Are you interested in:

- Learning about Native American Indian Dress, Dance, Song and Drum?
- Performing all around the Greater Richmond Area in Dance and Song?
- Being a vital part of your OA Lodge by supporting the Community?
- Traveling around the state to compete in Dance and Song?
- Attending Regional Indian Seminars and taking part in Pow Wows?
- Provide your service to your community while learning and having fun?

If you answered YES to any of these questions then you need to come visit the Nawakwa Native American Indian Dance Team at any of the ceremonies, meals, cracker-barrel or other functions you might see us at.

We sleep under the stars or in authentic Native American Indian Tipi's overlooking the lake. What a beautiful view on a foggy spring or fall morning.

Can I be a member of the Nawakwa Native American Indian Dance Team? YES - All brothers of the Nawakwa Lodge are able to take part in the Dance Team. All you have to do is show the interest and desire to be part of our family. It will be an experience you will enjoy and never forget!

We craft our regalia as brothers of Nawakwa, yet we compete and have fellowship with brothers of OA Lodges across the country.

The newest addition to our team is the song and drum team. While the song and drum is part of the Dance Team you can do one without the other. Dance, Sing, or be part of BOTH!
